Thank you, Kathy. We're talking with a firm that is experienced in fraudulent transaction cases. Would you allow us to share this document with them? They'll agree to keep it to themselves.

Thanks, Mike

Subject: Diversified Energy Update re FY 2021 Financials and Earnings Call

Dear All,

Diversified Energy reported FY 2021 earnings recently. I've put together a few random thoughts in the attached. We are updating the report to incorporate these latest numbers.

I'm not sure I have a complete list of those who have read the draft report, so feel free to forward the memo to them. Beyond that, please do not circulate.

Best,
Kathy
